

## **ADDITIONAL MANAGING DIRECTOR AT SCANWARE ELECTRONIC GMBH**

**Bickenbach, Germany, August 8, 2013: From May 17, 2013, Dipl.-Ing. (Graduate Engineer) Harald Mätzig MSc is Managing Director at scanware electronic alongside Torsten Wienzek. He is authorised to solely represent the company.**

Mr Mätzig's focus at scanware, manufacturer of product and code inspection systems for pharmaceutical producers, will be distribution and international expansion. Mätzig can boast 20 years of experience as a chief engineer and was attorney for scanware since 2002. In 1999, he graduated as Master of Science in Data Communication from Brunel University, Uxbridge, UK. As a student of Electrical Engineering at Technische Universität Darmstadt, Germany, he was involved in the research and development department at scanware.

scanware electronic GmbH is a privately owned company operating on an international scale. As an independent manufacturer we develop product and code inspection systems for installation on pharmaceutical packaging equipment. With almost 25 years of experience, scanware products are tailored to individual needs of customers, highly specialized and fully compliant with GAMP requirements. Well over 1800 installations across the globe establish scanware as a renowned supplier of supreme quality equipment to all major manufacturers.
